

Two great new franchise concepts for the price of one!

1

VERT Power Center

A **VERT** Power Franchise is the perfect way to capitalize on the booming personal training segment of the fitness industry! We offer a **turnkey** solution and make it easy for you to get started!

VERT is an acronym for Velocity Enhanced Resistance Training.

"The VERT system is absolutely unique in its ability to build fast-twitch muscle strength." Dr. Clifford Tabin, Professor, Harvard Medical School.

"I have never found a system that gives results like what I have seen at VERT"
John Perry M.D., A founder of the American College of Sports Medicine - Former team physician for the RAMS & REDSKINS.

"I refuse to talk about VERT because it's my training secret."
Shaquille O'Neal, (Men's Fitness Magazine).

"I use VERT to improve my jump and my quickness, it's perfect for what I do."
Holly McPeak, Olympic Medalist, AVP's all time winningest women's volleyball player.

"VERT private training center... is on the cutting edge of fitness technology."
L.A. Times

"It gives me a distinct edge I never had before... I'm stronger and the muscles I use swimming move faster."

Lenny Krayzelburg, 3 Olympic Gold Medals (USA Today)

2

VERT Physical Therapy

By combining traditional Physical Therapy methods and modalities with **VERT's** proprietary computerized machines, **VERT** guarantees the fastest, safest and most effective means of recovery available today. "If you hurt, come to VERT!"

For the first time this level of professional athlete care can be available to your clients. You don't have to play like a Pro to be treated like one.

This revolutionary neuromuscular training and therapy technology is only available through a **VERT Sports Medicine Franchise**.

"We treat and train world class athletes... just think what we can do for you!" Walter K. Theis, M.D.

Medical Director, VERT Sports Therapy
